Dear parents, carers and community members,

Clubs

Once again, our students engaged in some fantastic “alternate” ways of learning this morning as a result of Clubs. Our final Clubs for this term will be on Monday 19th June and it is an extended Clubs Open Day where teachers spend extra time and effort organising a final experience that may involve an excursion outside of the school. Please ensure that you ask your child about their Club and if there are any special notes, permission or payment for them to join in on this day! If you are unsure, please contact the school.

NSW PSSA Touch Knockout Competition

This Thursday, Mr Ellsmore and Mrs Miller will take both a boys and girls Touch team to compete in Round 1 of the NSW PSSA Touch Knockout Competition. We look forward to both teams giving their best and representing the school well.

Stage 3 - Les Miserables

This Friday, all Stage 3 are invited to attend a performance at Wollongong Performing Arts High. The cost of the excursion is just \$20 which includes the theatre ticket, bus hire and fish and chips lunch at North Wollongong beach. Places have been booked for all students, so please ensure that your money and permission notes are returned by Wednesday!

Mathematics Professional Learning for staff

Last Wednesday afternoon, all staff stayed back until 6pm to engage in professional learning presented by two of our Instructional Leaders, Ms Bunt and Mr Kusa. The purpose of our afternoon was to focus more of our maths teaching on open questions, encouraging students to think about the world around them and solving mathematical problems in a more robust manner. If you would like more information about this, please speak with your child’s class teacher.
